Carpenters Expand Skills in Hands-On Training

Members of the Carpenter’s Shop recently spent two days getting hands-on experience working with solid surface fabrication.

“This training was needed because the one person who does the countertops will be retiring within the next year or two,” says Jim Sullivan, the Senior Technician in the shop. “So, I looked for an in-house training that would train 6 to 8 carpenters. That way we have plenty of coverage for this growing need.”

The first class, Managing in a Union Environment, is Wednesday, August 9.

Registration for all sessions is through the Employee Learning Center.

Get Involved on Campus

Got Talent? The Lewis Center for the Arts is now casting for a Public Theater/Public Works adaptation of The Winter’s Tale, to be performed November 10-12. All employees and community members are invited to participate, no prior theatrical experience required or expected. “We’d love to have some Facilities staff in the show!” said the Lewis Center for the Arts. Learn more about the production and group casting sessions.

There’s still time to donate school supplies! The annual back to school supplies drive is open through August 4. Boxes of items can be purchased for 14.99 and delivered directly to Princeton Human Services.
